

**With PayrollsDirect training and support, you can leverage your efforts to begin working toward your goals of independence and business ownership....**

			
<p><b>STEP 1</b> 360° Solution</p> <p>As part of our commitment to help you launch your business in the payroll sector, we offer a fully managed payroll service for your clients. You get the clients. We do the work.</p>	<p><b>STEP 2</b> Support</p> <p>We provide powerful strategies and methods to help you make profits.</p>	<p><b>STEP 3</b> Profits</p> <p>As this is a very sticky business, your profits grow each time you get a new client. You get paid each and every month and we do the work to calculate the payroll.</p>	<p><b>STEP 4</b> Growing your business</p> <p>Our real service starts here. We are constantly looking at ways we can improve, promote, adapt and leverage our website. Your success is our success.</p>

**Included with the above you get the following with your monthly subscription:**

- We do all the payroll calculations for your clients. In fact, once your client list grows, you may even be able to take a few months off, without worrying about your income.
- We take care of full hosting and improvement of the website.
- You and your clients have access to a free phone number for advice and consultation.
- Our franchise gives you the ability to consistently predict your future revenue streams when you acquire a customer.
- We have the payroll services that today's employers need to thrive.
- We aim to bring payroll services to the market to meet the demands of employers before they need them.
- Our clients look to us to be the expert source for the latest products and services.
- We offer regular updates to all our franchisees
- We will advise you as to the best strategy to get in front of new customers.

- 
- You are ready to start getting new clients immediately after your first days training.
  - We'll be with you every step of the way... Providing help and guidance when needed.
  - We are constantly updating our features on our website and you get full benefit of this without any extra charge.
